* Students teaching or TAing for the department will sign up for **ENGL 9095** while students serving as research or administrative assistants will sign up for **ENGL 9096**; unfunded students sign up for neither.

Unfunded students are required to enroll in 10 credit hours to be considered full time, and 5 credit hours to be considered half-time for student loan deferral purposes.

Full time, funded students must register for **at least 12 credit hours** and **no more than 18 credit hours** per semester. ENGL 9095 and ENGL 9096 are not required courses; they are filler courses that give funded students 3 credit hours in order to meet the 12 credit hour requirement. Funded students can opt out of enrolling in ENGL 9095/6 as long as they are enrolled in 12+ credit hours each semester. **Do not sign up for ENGL 9095/6 if doing so puts you over 18 credit hours** a semester.
