

Double Major: Organizational Leadership and Spanish

DEPARTMENT OF PSYCHOLOGY AND DEPARTMENT OF
ROMANCE AND ARABIC LANGUAGES AND LITERARURES

What is the Goal?

The Double Major in Organizational Leadership and Spanish aims to prepare students to be effective leaders within their organizations and society, with an emphasis on Spanish-speaking communities. Students will develop their critical thinking and communication skills in English and Spanish as well as their intercultural competence to respond to change through leadership and teamwork.

Why a Double Major in Organizational Leadership and Spanish?

To be better prepared
for the job-market

To engage with a
diverse population

To benefit from the high demand
and higher compensation

Curriculum

Requirements

- Students must satisfy the major requirements for both majors.
- Students should declare the double-major during the first year at UC, though it is not required.
- No additional courses needed.

Advising

- Students should meet with their advisor to discuss the general education requirements.
- Students should meet with the Undergraduate Director of Org. Leadership to discuss the requirements for this major.
- Students should meet with the RALL Undergraduate Director to discuss the requirements for this major.
