

Double Major: Environmental Studies (BA) and Spanish

SCHOOL OF ENVIRONMENT AND SUSTAINABILITY AND
DEPARTMENT OF ROMANCE AND ARABIC LANGUAGES AND
LITERATURES

What is the Goal?

The Double Major in Environmental Studies and Spanish aims to prepare students for the interdisciplinary exploration of human-environmental interactions, with a focus on Spanish-speaking communities. This double major provides students with skills to understand the complex relationships between the environment and the human practices, rooted in cultural behaviors.

Why a Double Major in Environmental Studies and French?

To be better prepared for the job-market

To engage with a diverse population

To benefit from increased pay for bilingual hires in environmental careers

Curriculum

Requirements

- Students must satisfy the major requirements for both majors.
- Students should declare the double-major during the first year at UC, though it is not required.
- No additional courses needed.

Advising

- Students should meet with their advisor to discuss the general education requirements.
- Students should meet with the Undergraduate Director of Environmental Studies to discuss the requirements for this major. Students should meet with the RALL Undergraduate Director to discuss the requirements for this major.
